The Earthquake Experience. Transforming "Grief" to "Strength".

It has been almost 2 years since the Japan Earthquake and Tsunami on March 11, 2011, but many of the victims are still displaced and relief aid is dwindling. On the day of anniversary, we will have a third and final Bento Lunch fundraiser. We will also have baked goods and craft fair (new this year!), so come by for a sweet treat and contribute to relief for the victims of the earthquake and tsunami in Japan. Pre-order your bento box now (<http://goo.gl/90OfP>) or come to A&E to see the selection on March 11! Quantity is limited. See the information on SLAC Today Community bulletin board.
